

Race for
Seamless
Experience

About us

GUÉPARD VISCO Lubricants has been delivering the best top quality engine oils and lubricants since its inception. GUÉPARD VISCO Lubricants has grown rapidly over the past few years due to its quality within UAE to a multinational company in the continents of Africa, Asia and Europe. Our products are of international standards and our business operations provide worldwide assurance, improved productivity, improved environmental products and trusted advice focused on quality and delivery. GUÉPARD VISCO Lubricants is manufactured using extensive technology.

Vision

Our vision is to be the leading brand of premium quality petroleum products to serve globally and to enhance the perspectives of natural resources and to preserve our planet for future generations.

Mission

Our goal is to deliver top cost efficient productive systems and maximize client satisfaction

Gasoline Engine Oil

Full Synthetic Oil

GUÈPARD VISCO fully synthetic multi grade multipurpose engine oil is specially formulated with full synthetic base of and high quality additives for ultimate engine protection and performance. It is used for various kinds of gasoline engines and diesel engines like passenger and racing cars, light trucks for all makes from American, European and Japanese cars. It gives ultimate engine protection in all driving conditions with low viscosity, rapid of flow, low friction effectively contributes towards reducing fuel consumption. Fully synthetic oil can be used for all naturally aspirated, fuel injected, turbo charged and multi valve passenger car engines.

SAE	20W50	SAE	15W40	API	SM/CF
Packaging Size (Plastic/Metal)	12 x 1 Ltr 10 Ltr	24x 1 Ltr 20 Ltr	6 x 4 Ltr 25 Ltr	6 x 5 Ltr 208 Ltr	

Gasoline Engine Oil

Semi synthetic oil

GUÈPARD VISCO semi synthetic multi grade and multipurpose gasoline engine oil manufacture from high quality synthetic and mineral base oils with selected additives. It is recommended for various kinds of gasoline engines and diesel engines like passenger and racing cars, light trucks and all makes of American, European and Japanese cars. It assures excellent engine protection in severe weather conditions, Longer drain interval, low oil consumption and oxidation ability and it protect engines completely against wear, rust, corrosion heat stress and engine deposits.

SAE	10W40	API	SM/CF
Packaging Size (Plastic/Metal)	12 x 1 Ltr 10 Ltr	24x 1 Ltr 20 Ltr	6 x 4 Ltr 25 Ltr 6 x 5 Ltr 208 Ltr

Gasoline Engine Oil

GUÈPARD VISCO mono grade and multi grade gasoline engine oil is manufactured from high quality virgin base oil with European additives and it meets API standard. It is specially manufactured for all kind of passenger car, van, light truck, heavy trucks of gasoline engine and diesel engine. It assures excellent engine protection in severe weather conditions, longer drain interval, Low oil consumption and oxidation stability and it protects engine completely against wear, rust, corrosion, heat stress and engine deposits.

Diesel Engine Oil

GUÈPARD VISCO diesel engine oil manufactured from quality virgin base oil and European additives and it meets API standard. It is specially manufactured for all kind of passenger car, van, light truck, heavy trucks of diesel engines. It gives excellent engine protection in severe weather conditions, Longer drain interval, low oil consumption and oxidation stability and completely protects engine against wear, rust, corrosion, heat stress and engine deposits.

— Gear Oil

Gear oil is manufactured from high quality virgin base oil and selected extreme pressure additives, which allow maximum protection for automotive gears and industrial gears. It protects the gear from rust & corrosion and low temperature properties, also gives good start in cold weather. It is suitable for highly stressed gear boxes running at high temperatures

SAE	80W90	SAE	85W140	SAE	140	SAE	90
API	GL-1	API	GL-4	API	GL-5		
Packaging Size (Plastic/Metal)	12 x 1 Ltr	24x 1 Ltr	6 x 4 Ltr	6 x 5 Ltr			
	10 Ltr	20 Ltr	25 Ltr	208 Ltr			

— Hydraulic Oil Automatic Transmission Fluid (ATF)

GUÉPARD VISCO premium quality hydraulic oil formulated from high quality base oil and combined with anti-wear high quality additives system that protects against wear, rust and corrosion. It is used in all kind of hydraulic system running under the most severe conditions, such as machine tools, molding injection machines, presses, piston and gear pump, heavy hydraulic equipment and many kinds of industrial and construction machineries.

ISO	22	ISO	32	ISO	46	ISO	68	ISO	100	ISO	150

	10 Ltr	20 Ltr	25 Ltr	208 Ltr							

— Automatic Transmission Fluid (ATF)

GUÉPARD VISCO superior quality automatic transmission fluid formulated with high viscosity index base oils and selective additive package to obtain anti-wear, anti-oxidant, anti-foam properties and low temperature fluidity. It provides excellent protection against wear and its frictional properties gives consistent and smooth shift under a wide range of driving condition. It is specially engineered for passenger cars, light trucks and commercial vehicles automatic transmission, hydraulic systems of mobile and o high way equipment and industrial applications

Type	A	Dex	II	Dex	III
Packaging Size (Plastic/Metal)	12 x 1 Ltr	24x 1 Ltr	6 x 4 Ltr	6 x 5 Ltr	
	10 Ltr	20 Ltr	25 Ltr	208 Ltr	

— Brake Fluid

GUÉPARD VISCO brake fluid is blended from glycol ethers and polygala-cols. It is formulated to contain oxidation and corrosion inhibitors to enhance its chemical stability and recommended to use in automotive drum and disc brake systems. It will provides a safety against brake fade where abnormal high system temperatures are generated by heavy duty vehicle operation.

DOT	3	DOT	4		
SAE	J 1704	ISO	4925	FMVSS	116
Packaging Size	24 x 250ml	Packaging Size	24 x 500ml		

— Marine Engine Oil

GUÉPARD VISCO marine engine oil assures a high level of detergency, discrepancy and alkalinity due to its high TBN and sulphate ash content. It is formulated with high quality base oils in conjunction with latest additives technology to deliver a high load carrying capacity, excellent oxidation and a high level of alkalinity retention. It is highly recommended for marine and industrial diesel engines including turbo charged models operating in all types of condition.

SAE	30	SAE	40	SAE	50
Packaging Size (Plastic/Metal)	12 x 1 Ltr	24x 1 Ltr	6 x 4 Ltr	6 x 5 Ltr	
	10 Ltr	20 Ltr	25 Ltr	208 Ltr	

— Outboard Engine Oil

GUÉPARD VISCO outboard engine oil is formulated to meet the critical requirements of high performance, water cooled two stroke engines. It is formulated to minimize deposits Formation, spark plug fouling and pre-ignition, prevent rusting and control wear and tear

SAE	30	API	TC-W3	
Packaging Size (Plastic/Metal)	12 x 1 Ltr	24x 1 Ltr	6 x 4 Ltr	6 x 5 Ltr
	10 Ltr	20 Ltr	25 Ltr	208 Ltr
